

AST THANKS OCP FOR THE GENEROUS CONTRIBUTION TO THE AST MAKERSPACE

AST - OCP Project Goals

1. Facilitate the development of young student engineers and scientists through dedicated coursework applied in guided, and open, exploration in the new AST
2. MakerSpace.Support and mentor student innovation focused on real-world problems having provided a strong foundation in Mathematics and Science.
3. Instill the OCP Values in AST students prior to graduation through a combination of explicit and implicit instruction, modeling, and assessment.

Values OCP commits to:

- **Leadership**
- **Responsibility / engagement**
- **Courage**
- **Modesty**
- **Solidarity**
- **Openness**
- **Ijtihad**
- **Integrity / loyalty**
